## **REQUEST FOR EXTENSION: ANALYSIS OF THE PUBLIC SAFETY AND REHABILITATION ACT OF 2016 BALLOT INITIATIVE (ITEM 13, AGENDA OF JUNE 14, 2016)**

On June 14, 2016, on a motion by Supervisor Ridley-Thomas, the Board directed the Chief Executive Office (CEO), in consultation with the District Attorney, Public Defender, Alternate Public Defender, Sheriff, Interim Chief Probation Officer, and the Director of the Health Agency, to report back with an initial analysis of the potential short-term and long-term impact of the Public Safety and Rehabilitation Act of 2016 (PSRA) initiative on the November 2016 ballot.

The CEO has been consulting with California State Association of Counties (CSAC) and the Legislative Analyst's Office (LAO) to receive more information on the PSRA's statewide impact. Currently, the State has not released any details on how the PSRA will be implemented with regard to changes to parole hearing eligibility requirements and parole release criteria which will dictate who will potentially be early released from State prison back to the County. We have been advised that the LAO will be providing their analysis within the next week.

Based on the ballot initiative language and limited information available from the LAO, County departments have provided the CEO with general information on the potential impact PSRA will have on their respective operations. A two-week extension to August 15, 2016, is requested to incorporate the LAO's additional information and provide the Board with a more refined assessment of the PSRA's local impact.

If you have any questions, please contact David Turla at (213) 974-1178 or Patricia Carbajal at (213) 974-1327.
